

Workshop on Classroom Management

A workshop on Classroom Management was conducted at Vishwa Bharti Public School on 23 August 2025 for the teachers of the school. The session was facilitated by Mr. Rishikesh B., a resource person from PM Publications, who has over 14 years of experience in Training and Development.

The workshop began with a warm welcome to the resource person, followed by his felicitation by the Principal, Ms. Dimple Puri. She appreciated his commitment to transforming Early Childhood Care & Education and enhancing Classroom Management practices across school levels.

In his session, Mr. Rishikesh highlighted the paradigm shift in classroom practices – from controlling to managing, and from “Do as I say” to “Let’s learn together.” He emphasized the importance of socio-emotional and ethical learning in creating a positive and inclusive classroom environment.

The session was highly interactive, with real-life classroom situations and practical solutions shared by the facilitator. Teachers actively participated, shared their challenges, and explored new ways to create a more engaging and well-managed classroom environment.

The workshop concluded with a vote of thanks to Mr. Rishikesh for his valuable insights and strategies. The Principal, Ms. Dimple Puri, once again acknowledged his contribution and encouraged teachers to apply the learning in their daily classroom practices.
