Vishwa Bharti Innovates

Activity : Comic Strip

Bringing History to Life at Vishwa Bharti!

Grade 8 students at Vishwa Bharti Public School Ghaziabad turned history into a comic adventure with their Glimpses of the Past project!

From colonial India to creative cartoons, they used colorful panels and witty dialogues to reimagine the past in a whole new way!

This comic strip activity wasn't just about art — it was a journey through time that sharpened their English skills, from storytelling and sequencing to expressing emotions through characters. History never looked this fun!
