

Toy Donation Drive

Vishwa Bharti Public School, Ghaziabad successfully organized a Toy Donation Drive along with a Selfie Frame Making Activity under the joyful celebrations of Toyotsav 🧸.

In the Toy Donation Drive, students wholeheartedly contributed by donating their gently used toys, including soft toys, educational games, puzzles 🧩, and board games.

Adding more excitement to the celebration, the students of Class 8 enthusiastically took part in a Selfie Frame Making Activity. They used old toys, colorful ribbons, stickers, and quotes to creatively decorate selfie frames turning the frames into vibrant ✨ and attractive pieces of art. Both activities successfully encouraged the spirit of sharing, creativity, sustainable use of toys and promoted the value of charity to develop a sense of social responsibility among students. The activities were conducted under the guidance of _Biology Teacher_ - Ms. Bhavna Teotia.
