

Swachhata Pakhwada and Swachhata Hi Sewa (SHS) Campaign – 2025

As part of the nationwide observance of Swachh Bharat Diwas, Vishwa Bhartians actively participated in the Swachhata Hi Sewa (SHS) Campaign – 2025 with great enthusiasm and commitment. The campaign was organized with the aim of promoting awareness about the importance of cleanliness among students and the wider community, in alignment with Mahatma Gandhi's vision of a clean and self-reliant India.

Through various school-based activities such as cleanliness drives, awareness programs, and student-led initiatives, the campaign successfully instilled values of hygiene, civic responsibility, and environmental consciousness. It also motivated students to take ownership of their surroundings and become responsible citizens contributing to a cleaner and healthier nation.

We are deeply grateful to our school management and our respected Principal, Ms. Dimple Puri, for taking the initiative and providing us with the guidance and opportunity to be part of this meaningful campaign.
