

## Flagship Summit 3.0 – From Footprints to Green Prints

25th September 2015 is a red-letter day in history as the United Nations adopted the Sustainable Development Goals (SDGs), a global framework to end poverty, protect the

planet, and promote peace and prosperity by 2030. To commemorate this milestone, Ahlcon International School, Mayur Vihar, hosted its Flagship Summit 3.0 on 25th September 2025, celebrating a decade of SDGs.

The summit was graced by decorated and eminent key speakers who shared inspiring perspectives on sustainability, the role of schools in nurturing green habits and the importance of self-transformation. From our school, Ms. Rinkal Gola and Ms. Bhavna Teotia represented us with enthusiasm and actively engaged in the discussions.

The sessions emphasized that sustainability begins with individual and institutional responsibility, schools play a pivotal role in cultivating lifelong green habits, and living the SDGs authentically is more important than mere implementation. Educators were motivated to adopt practical strategies to integrate sustainability into daily teaching, learning, and school life.

We are grateful to our School Management and respected Principal, Mrs. Dimple Puri, for this wonderful opportunity and for constantly motivating us to contribute towards building a sustainable future.
