

🎬Blockbuster Learning @ VBPS!🎬

On 9th September 2025, the students of Classes I to XI at Vishwa Bharti Public School swapped classrooms for cinema halls as they witnessed the legendary saga of Mahavtar Narsimha at PVR, Gaur City Mall.

With popcorn in hand, cheers in the air and curiosity in their eyes, students dived into a reel that transformed into real lessons of devotion, courage and timeless values.

The cinematic journey wasn't just entertainment—it was value-based learning, cultural awakening and inspiration on the big screen.

It was truly a day where fun met wisdom and every frame became a classroom of its own!
