

Future of Learning: AI Meets Real World Experience

Proud Moment for Vishwa Bharati Public School, Ghaziabad

Yesterday, our respected Principal Mrs. Dimple Puri Ma'am was invited as a Keynote Speaker at the Multi-Dimensional Leadership Conclave (MDLC 2025) hosted by Delhi Metropolitan Education, Noida.

Addressing the theme “Future of Learning: AI Meets Real World Experience”, Mrs. Puri shared her vision of how Artificial Intelligence can transform education. She strongly emphasized the importance of student data protection and cyber safety, highlighting that technology in schools must always be guided by ethics, inclusivity, and human values.

🌟 Her keynote inspired students, educators, and leaders alike, leaving a meaningful impact on the conversation about the future of learning.

We are truly proud of her remarkable contribution at such a prestigious platform. 🌟
