

World Ozone Day Celebration

On the occasion of World Ozone Day, various activities were conducted by the students to spread awareness about the importance of protecting the ozone layer. Students recited poems on "Save Earth and Ozone", highlighting the need for collective responsibility. A pledge was taken by all to protect the ozone layer and contribute towards a cleaner environment. Awareness points and meaningful slogans were also presented by the students, inspiring everyone to take small but effective steps for a sustainable future. The program created awareness and motivated all to safeguard our planet for generations to come.
