

World Nature Conservation Day 🌿

WORLD NATURE CONSERVATION DAY

Date :28th July 2025

He who plants a tree, plants a hope

Date: July 28

Today, we celebrate World Nature Conservation Day – a day to remind ourselves of our duty to protect and preserve our natural environment. 🌱

Nature gives us everything – clean air, fresh water, food, shelter, and countless resources. But with increasing pollution, deforestation, and climate change, our planet is under threat.

At Vishwa Bharti Public School, Ghaziabad, we believe that even small actions can create big change. Whether it's planting trees, saving water, saying no to plastic, or protecting wildlife – every step counts. 🐾💧🌳

Let's pledge today to be Guardians of Nature and work together for a greener, healthier planet. ❤️

🌱 "The Earth is what we all have in common." – Wendell Berry
