

Educational Trip to British Council, Delhi

A day filled with learning, creativity, and inspiration awaited our Vishwa Bhartians at British Council on Friday, 18th July 2025.

As part of the Study UK: Creative Connections exhibit, students from Classes X and XII along with Art Teacher Ms Indu visited British Council Kasturba Gandhi Marg Delhi as part of guided walk-through and an interactive session with some of the featured artists of UK.

Students explored thought-provoking artworks, engaged in meaningful dialogue, and gained valuable exposure to global perspectives in art and design.

It was a truly enriching experience that blended culture, creativity, and curiosity.

Vishwa Bharti Public School Ghaziabad always encourages learning beyond Classrooms.
