

# PTM- When Learning Blossoms Through Care and Connection

Vishwa Bharti Public School, Ghaziabad | 26th July 2025  
Saturday sparked with purpose and positivity as our school hosted a vibrant Parent Teacher Meeting, strengthening the heart of every child's learning journey — the bond between home and school. 🍋

Throughout the day, the campus buzzed with energy and excitement:

- \* The Book Fair transformed hallways into gateways of imagination, drawing young readers into new worlds.

- \* The Kids Creative Corner became a canvas of colour and joy, where every stroke told a story.

- \* The Smile Initiative's Games Corner echoed with laughter, teamwork and childhood cheer.

- \* The Dental & Health Check-up Camp, in partnership with Kailash Hospital, Sector 71 Noida, instilled awareness about wellness and self-care.

Every activity was a step towards building not just brighter students — but healthier, happier and more connected human beings.

Because at VBPS, we believe that learning thrives where joy, health and community come together.
