

Sunsation Summer Camp – Day 3 Buzz!

From grooving to “Ari Ari” in Rhythmic Rhapsody to diving deep into Rabi and the Rainbow Fish at Puppet Palooza, our campers lit up the day with creativity and cheer!

They built rainbows with tissues, played birthday tunes and disco beats, crafted magnetic fridge art, recited Dohas with flair, coded chase games in Scratch, floated like pros and guarded goals like champs!

Every moment was packed with wonder, laughter and learning!
