

## **Annual Report 2022- 2023**

Today in the fast changing, challenging, competitive environment, it becomes imperative to balance academics, co-curricular and extra-curriculars for future ready students. The Vishwa Bharati Public Schools and colleges are run by Vishwa Bharati Women's Welfare Institution, which was set up at Srinagar, Kashmir, in the year 1951. Since its inception, this institution has been actively working for the welfare of women. It played a historic role in promotion of education in the state of Jammu and Kashmir. When dawn of freedom had posed new challenges in front of our country, then Vishwa Bharati was one of the foremost organizations to fight illiteracy, it also encouraged women to play a key role in the social and economic growth of not only the state of Jammu and Kashmir, but also the country, in general.

With more than 72 years of experience and expertise, the Vishwa Bharati Women's Welfare Institution has consolidated its position as one of the leading educational organizations not only in J& K State but also in Delhi and its adjoining satellite townships of Noida, Greater Noida and Ghaziabad. VBPS, Ghaziabad has had a very long journey since its inception, passing through various progressive stages from its infancy to maturity.

### **Back To School (April, 2022)**

This April, the start of the school year seemed more overwhelming than ever before. It was after two years that school was re-opened. In these two years, a lot has changed and we were accommodating these changes. We were prepared for resuming classes in these 'new normal' times while also prioritising face to face learning as students have missed on that the most. Our enthusiastic students participated in various activities conducted by the school and showed their extra ordinary talent.

### **Sustainable Development Goals**

We, at Vishwa Bharati believe that students must be active participants in the world they live in. In our increasingly interconnected world, we need to prepare the next generation to be global leaders who are able to lead and thrive in the world. The SDG's engage students in practical goals and problem-solving by putting issues into relatable contexts.

Our students were exposed to important SDG topics such as those to poverty, hunger, and education, they began to understand the unique challenges facing communities all over the world that they may not have known about before. Through these goals the students and teachers were inspired to take action. The teachers learned and explored these issues alongside their students and planned ways to take action together. We have seen this in countless ways through work of students raising awareness about conserving water through save water campaign, 'Jal Hi Jeevan Hai'. We encourage our students to plant trees on their birthday's through 'Go Green Grow Green' drive. Together, with teachers and students, we can be a powerful force for achieving the United Nations' vision of a more peaceful, healthy, and equitable world.

**Azadi Ka Amrit Mahotsav-** Azadi Ka Amrit Mahotsav' is an initiative of the Government of India to celebrate and commemorate 75 years of independence of progressive India and the glorious history of its people, culture and achievements. In light of the above, Vishwa Bharati Public School, Ghaziabad resolves to participate pro-actively in Mahotsav by conducting several

competitions and events related to the freedom struggle, ideas, achievements and actions so that the students can absorb the magnitude of sacrifices this nation has seen for its independence, the progress it has made socially, politically and economically over the decades and celebrate the diversity that it holds. The objective is to increase awareness and interest in the nation's journey and prospective growth.

### **Jal Hi Jeevan Hai**

Last year, on the occasion of 75th Independence day we started the project 'JAL HI JEEVAN HAI' under "SAVE WATER AND IT WILL SAVE YOU" campaign. Through this campaign we inculcated the habit of saving water amongst our Vishwa Bharatians.

### **Nurture The Nature**

Under the ongoing campaign, 'Go Green, Grow Green' the students of Vishwa Bharati plant saplings on their birthday's to nurture the nature and to value nature and its natural resources.

### **Aerobics & Yoga**

The school has always given due prominence to physical fitness and mental wellbeing of all its students and teachers, by providing them ample opportunities to exercise and embrace healthy lifestyle.

**Orientation Day** -The year commenced with orientation day programme which was virtually organised on 26<sup>th</sup> March for welcoming new students on board.

**Foundation Day**-The 70th Annual Foundation Day of Vishwa Bharati Women's Welfare Institution was held on 20th April 2022, in the school premises.
