A Letter of Gratitude from Principal

Dear Distinguished Principals,

Jai Hind!

Vishwa Bharti Public School Ghaziabad would like to appreciate and thank you for your participation in the Inter School Event 'फेब्रुअरी - "खिलौनों की विरासत"', aligned with the theme of 17 Sustainable Development Goals (SDGs).

The heart of this celebration culminated with our distinctive approach to Toy Pedagogy where the efforts of the participating schools transformed classrooms into vibrant engaging spaces fostering quality education, sustainability and joyful hands on learning amongst impressionable minds.

The event was a unique platform for the students, educators and the schools to collaborate together for taking one step forward towards the attainment of Sustainable Development Goals (SDGs). The energy and interest displayed in this competition has been extraordinary! We were blown away by the plausible and mesmerizing video entries from your respective schools.

We earnestly request you to cascade the ideas of Toy Pedagogy and SDGs in your respective schools which can help each one of us to broaden our horizon of Global Citizenship.

Once again, I personally thank you on the behalf of School Management, students, teachers of Vishwa Bharti Public School Ghaziabad for your enthusiastic participation in the Mega event. We have no doubt in expressing that the event would not have been a success without your prolific support.

Please find enclosed the results.

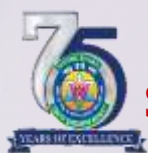

Note: Trophies and Certificates will be dispatched shortly.

Looking forward to the same cooperation in the upcoming events and competitions.

Stay Inspired!

Working Together
Dimple Puri
Principal
